

## KSR Rider Cinches Two Triple Crown Series Championships

*Oakwood, ON (March 14, 2022)* – This past weekend marked the third and final race in the Northern Triple Crown Series that included stops in Sault Saint Marie, Sudbury and lastly Timmins, Ontario. Karkoulas Sisters Racing (KSR) travelled North for the Timmins Pro Snowcross competition presented by J&B Cycle & Mikey's Sales, which marked round 3 of the Triple Crown. This race weekend sure did not disappoint, with KSR Rider Dakota Karkoulas riding her way to title holder in both Jr 14-17 and Pro/Am Women's classes on her 2022 Ski-Doo 600 RS!

### **Dakota #501**

Dakota swept both classes on Saturday and nearly repeated the same results Sunday until a fall in her first moto of the Jr 14-17 class found her pinned beneath her sled. She ended the weekend going 1:1 in Pro/Am Women and 1:2 in Jr 14-17.

Enjoying the massive jumps and doubles, Dakota excelled on what she called, "her kind of track", that really suited her riding style. In addition to those spectacular results, a special treat racing in Timmins was the generous hole shot awards organizers give out. Dakota was able to earn some cash with her hole shot award in Pro/Am Women. Leaving the track overjoyed with how the weekend turned out, Dakota said, "I am so excited to get back on the race track in two weeks in Kitchener."

### **Brooklyn #500**

Brooklyn, the team's eldest rider, also enjoyed the track set-up and quick progression through the program. Feeling super happy to have two full days of racing (after last weekend's cancellation of the Sunday race day due to inclement weather), Brooklyn described the atmosphere as amazing with lots of spectators coming out to get in on the racing action. The track was relatively long and less time constraints in the schedule saw the riders enduring many laps in their second moto. Brooklyn enjoyed this test of endurance and was happy with her performance, leaving super stoked to have pulled two podium finishes this weekend, going 3-3. Heading off to British Columbia for some skiing action, Brooklyn looks forward to resuming the season with full force for the last two weekends of the season after March break.

### **Zoe #502**

Once again due to low entries, Zoe was disappointed to learn that Transition Girls would not happen this weekend, resulting in her putting it all on the line for Transition 2. Great qualifier heats saw Zoe having top five picks in both final days. In the finals Zoe said, "I couldn't get off the line quick enough and that made it hard to pass." This resulted in her ending up with 7<sup>th</sup> place finish on Saturday and 9<sup>th</sup> on Sunday. Zoe is hoping to be able to race Transition girls in Kitchener in two weeks and finish the class out in Barrie after that!
